
How one draft block is scored

Illustrative token IDs shown as words

	Anchor	Seven NEW draft tokens						
Qwen	The	cat	sat	on	the	mat	.	EOS
Draft	The	cat	sat	on	the	rug	.	EOS

Excluded 4 exact matches — First error — Not counted

Block score = 4 NEW (out of 7)

Average sampled blocks within each domain

Then average the three domain scores equally

Test: (5.01 prose + 4.96 code + 1.84 translation) / 3

= 3.94 NEW overall
